```
          C   *        C7    *
1 I don't know about tomorrow
         F   *            C  *
  I just live from day to day
         F     *         C       *
  I don't borrow from its sunshine
         D7   *           G   *
  For its skies may turn to grey

         C    *         C7    *
  I don't worry o'er the future
       F   *           C   *
  For I know what Jesus said
       F  *            C       *
  And today I'll walk beside Him
        G    *         C   *
  For He knows what is ahead.

|     F     *        C     *
| Many things about tomorrow
|        D7  *        G    *
| I don't seem to understand
|      C   *            F     *
| But I know who holds tomorrow
|      G   *             C   *
| And I know who holds my hand.

       C   *           C7      *
2 Every step is getting brighter
        F     *         C    *
  As the golden stairs I climb
       F       *        C      *
  Every burden's getting lighter
       D7   *          G    *
  Every cloud is silver-lined

          C  *          C7     *
  There the sun is always shining
           F   *             C  *
  There no tear will dim the eye
        F     *       C      *
  At the ending of the rainbow
          G        *          C  *
  Where the mountains touch the sky.

|     F     *        C     *
| Many things about tomorrow
|        D7  *        G    *
| I don't seem to understand
|      C   *            F     *
| But I know who holds tomorrow
|      G   *             C   *
| And I know who holds my hand.

         C   *        C7    *
3 I don't know about tomorrow
         F    *        C *
  It may bring me poverty
         F  *              C      *
  But the one who feeds the sparrow
        D7 *               G *
  Is the one who stands by me

         C   *           C7     *
  And the path that is my portion
        F      *             C    *
  May be through the flame or flood
         F       *       C      *
  But His presence goes before me
         G      *         C    *
  And I'm covered with His blood.

|     F     *        C     *
| Many things about tomorrow
|        D7  *        G    *
| I don't seem to understand
|      C   *            F     *
| But I know who holds tomorrow
|      G   *             C   *
| And I know who holds my hand.
