Come Thou Fount of Every Blessing

Key: G Time: 3/4

```
              G                D
1 Come, thou Fount of every blessing
           C                   G
  Tune my heart to sing thy grace
              G              D
  Streams of mercy, never ceasing
           C                   G
  Call for songs of loudest praise

           G                 Em
  Teach me some melodious sonnet
           C                  G
  Sung by flaming tongues above
              G                    D
  Praise the mount! I'm fixed upon it
           C                G
  Mount of thy redeeming love.

         G             D
2 Here I raise my Ebenezer
         C                 G
  Hither by thy help I'm come
        G                   D
  And I hope, by thy good pleasure
         C              G
  Safely to arrive at home

        G                  Em
  Jesus sought me when a stranger
            C                  G
  Wandering from the fold of God
         G               D
  He, to rescue me from danger
       C                   G
  Interposed his precious blood.

       G                  D
3 O to grace how great a debtor
        C                   G
  Daily I'm constrained to be!
           G                  D
  Let thy goodness, like a fetter
           C                    G
  Bind my wandering heart to thee

           G                 Em
  Prone to wander, Lord, I feel it
           C                 G
  Prone to leave the God I love
            G                    D
  Here's my heart, O take and seal it
           C                 G
  Seal it for thy courts above.
