      Dm             A7    Dm
  With thorns, Thine only crown
     C          Bb        F *
  How pale thou art with anguish
      Bb     *         Dm
  With sore abuse and scorn
     C          F       G  C
  How does that visage languish

  Which once was bright as morn.

  Lo, here I fall, my Saviour

  'Tis I deserve Thy place

    Dm           A7       Dm
  To thank thee, dearest Friend

  For this, thy dying sorrow

  Thy pity without end?

       Dm         A7      Dm
  Come, Lord, and set me free!
       C          Bb       F  *
  These eyes, new faith receiving

  From Jesus shall not move

  For one who dies believing
