Hosanna, Loud Hosanna

Key: C Time: 4/4 Tune: ELLACOMBE

```
    C      G      Am G
1 Hosanna, loud hosanna
      F      G        C   *
  The little children sang
         C        G         Am G
  Through pillared court and temple
      F      G      C   *
  The lovely anthem rang

     C      *       G       *
  To Jesus, who had blessed them
       C      *      G     *
  Close folded to his breast
      C        G          Am  G
  The children sang their praises
      F        G       C   *
  The simplest and the best.

      C  G        Am G
2 From Olivet they followed
      F    G      C    *
  'Mid an exultant crowd
      C      G           Am G
  The victor palm branch waving
      F        G         C   *
  And chanting clear and loud

      C       *         G  *
  The Lord of earth and heaven
       C     *     G    *
  Rode on in lowly state
      C            G      Am  G
  Nor scorned that little children
        F      G       C   *
  Should on his bidding wait.

     C     G      Am  G
3 "Hosanna in the highest!"
       F       G       C   *
  That ancient song we sing
      C         G     Am  G
  For Christ is our Redeemer
      F       G          C   *
  The Lord of heaven our King

    C      *    G      *
  O may we ever praise him
       C         *        G    *
  With heart and life and voice
      C      G        Am  G
  And in his blissful presence
   F     G    C    *
  Eternally rejoice!
