Christ, Whose Glory Fills the Skies

Key: C Time: 4/4

```
     C              F     C          G
1    Christ, whose glory fills the skies
     Am           G          F     C
     Christ, the true, the only Light
     C      G         F       C
     Sun of Righteousness, arise
     C       E7        Dm         Am
     Triumph o'er the shades of night
     F          G       F         E7
     Dayspring from on high, be near
     Am        G     F       C
     Daystar, in my heart appear.

     C         F          C      G
2    Dark and cheerless is the morn
     Am  G     F        C
     Unaccompanied by Thee
     C        G       F        C
     Joyless is the day's return
     C         E7       Dm       Am
     Till Thy mercy's beams I see
     F          G       F        E7
     Till Thou inward light impart
     Am       G          F        C
     Glad my eyes, and warm my heart.

     C     F          C       G
3    Visit then this soul of mine
     Am          G         F        C
     Pierce the gloom of sin and grief
     C         G     F     C
     Fill me, Radiancy divine
     C        E7      Dm   Am
     Scatter all my unbelief
     F         G        F        E7
     More and more Thyself display
     Am       G       F        C
     Shining to the perfect day.
