Christ, Whose Glory Fills the Skies

Key: G Time: 4/4

```
     G              C     G          D
1    Christ, whose glory fills the skies
     Em           D          C    G
     Christ, the true, the only Light
     G      D         C       G
     Sun of Righteousness, arise
     G       B7        Am         Em
     Triumph o'er the shades of night
     C          D       C         B7
     Dayspring from on high, be near
     Em       D     C      G
     Daystar, in my heart appear.

     G        C          G      D
2    Dark and cheerless is the morn
     Em  D    C        G
     Unaccompanied by Thee
     G       D      C        G
     Joyless is the day's return
     G        B7       Am       Em
     Till Thy mercy's beams I see
     C          D      C        B7
     Till Thou inward light impart
     Em      D          C       G
     Glad my eyes, and warm my heart.

     G     C          G       D
3    Visit then this soul of mine
     Em          D         C       G
     Pierce the gloom of sin and grief
     G        D     C    G
     Fill me, Radiancy divine
     G       B7     Am  Em
     Scatter all my unbelief
     C         D       C       B7
     More and more Thyself display
     Em      D      C       G
     Shining to the perfect day.
