1   Dear Lord and Father of mankind
       Dm         F         G    *
    Forgive our foolish ways
      F           *       G         *
    Reclothe us in our rightful mind
       Am      F           G        Em
    In purer lives Thy service find
       C       F           G      *
    In deeper reverence praise
       Dm      F           C      *
    In deeper reverence praise.

       C       F            C
2   In simple trust like theirs who
     *
     heard
      Dm         F       G   *
    Beside the Syrian sea
        F          *        G       *
    The gracious calling of the Lord
        Am        F        G        Em
    Let us, like them, without a word
         C       F       G    *
    Rise up and follow Thee
         Dm      F       C    *
    Rise up and follow Thee.

      C        F        C    *
3   O Sabbath rest by Galilee
      Dm       F       G    *
    O calm of hills above
           F      *         G
    Where Jesus knelt to share with
     *
     Thee
        Am       F    G     Em
    The silence of eternity
      C      F       G    *
    Interpreted by love!
      Dm     F       C    *
    Interpreted by love!

         C          F        C      *
4   With that deep hush subduing all
        Dm         F           G     *
    Our words and works that drown
        F       *        G       *
    The tender whisper of Thy call
       Am          F        G
    As noiseless let Thy blessing
     Em
     fall
       C          F      G    *
    As fell Thy manna down
       Dm         F      C    *
    As fell Thy manna down.

         C          F        C     *
5   Drop Thy still dews of quietness
        Dm       F           G     *
    Till all our strivings cease
         F         *          G
    Take from our souls the strain
         *
     and stress
        Am       F        G          Em
    And let our ordered lives confess
        C       F       G     *
    The beauty of Thy peace
        Dm      F       C     *
    The beauty of Thy peace.

            C             F         C
6   Breathe through the heats of our
       *
     desire
        Dm        F        G    *
    Thy coolness and Thy balm
        F         *          G
    Let sense be dumb, let flesh re-
     *
     tire
          Am            F
    Speak through the earthquake,
     G          Em
     wind, and fire
      C              F         G    *
    O still, small voice of calm
      Dm             F         C    *
    O still, small voice of calm.
