1   Dear Lord and Father of mankind
      Gm         Bb       C    *
    Forgive our foolish ways
      Bb          *       C         *
    Reclothe us in our rightful mind
      Dm     Bb          C         Am
    In purer lives Thy service find
      F       Bb          C      *
    In deeper reverence praise
      Gm      Bb          F      *
    In deeper reverence praise.

      F       Bb           F
2   In simple trust like theirs who
     *
     heard
      Gm         Bb      C   *
    Beside the Syrian sea
       Bb         *        C       *
    The gracious calling of the Lord
       Dm        Bb       C        Am
    Let us, like them, without a word
        F       Bb       C    *
    Rise up and follow Thee
        Gm      Bb       F    *
    Rise up and follow Thee.

      F        Bb       F    *
3   O Sabbath rest by Galilee
      Gm       Bb      C    *
    O calm of hills above
          Bb     *         C
    Where Jesus knelt to share with
     *
     Thee
       Dm       Bb   C     Am
    The silence of eternity
      F      Bb      C    *
    Interpreted by love!
      Gm     Bb      F    *
    Interpreted by love!

        F          Bb       F      *
4   With that deep hush subduing all
       Gm         Bb          C     *
    Our words and works that drown
       Bb      *        C       *
    The tender whisper of Thy call
      Dm          Bb       C
    As noiseless let Thy blessing
     Am
     fall
      F          Bb     C    *
    As fell Thy manna down
      Gm         Bb     F    *
    As fell Thy manna down.

        F          Bb       F     *
5   Drop Thy still dews of quietness
       Gm       Bb          C     *
    Till all our strivings cease
       Bb         *          C
    Take from our souls the strain
       *
     and stress
       Dm       Bb       C          Am
    And let our ordered lives confess
       F       Bb      C     *
    The beauty of Thy peace
       Gm      Bb      F     *
    The beauty of Thy peace.

            F             Bb        F
6   Breathe through the heats of our
      *
     desire
       Gm         Bb       C    *
    Thy coolness and Thy balm
       Bb         *          C
    Let sense be dumb, let flesh re-
     *
     tire
          Dm            Bb
    Speak through the earthquake,
     C          Am
     wind, and fire
      F              Bb        C    *
    O still, small voice of calm
      Gm             Bb        F    *
    O still, small voice of calm.
