You Are the Seed

Key: G Time: 4/4

```
      G            D               Em          G
1     You are the seed that will grow a new sprout
           C               *             D     *
      You're a star that will shine in the night
      G            D            Em              C
      You are the yeast and a small grain of salt
        G          C            G    *
      A beacon to glow in the dark.

      G            D               Em          G
2     You are the dawn that will bring a new day
             C               *            D     *
      You're the wheat that will bear golden grain
      G          D            Em            C
      You are a sting and a soft, gentle touch
         G          C             G   *
      My witnesses where'er you go.

      D                   G                 C         *       G   *
      Go, my friends, go to the world, proclaiming love to all
      Am     *              Em      *       C *       D    *
      Messengers of my forgiving peace, e-ternal love
      C                   G               C         *       G    *
      Be, my friends, a loyal witness, from the dead I arose
      Am         *              Em    * Am        C           G
      "Lo, i'll be with you forever, till the end of the world.

      G            D                Em          G
3     You are the flame that will lighten the dark
           C            *                D    *
      Sending sparkles of hope, faith, and love
      G            D             Em              C
      You are the shepherds to lead the whole world
           G            C            G     *
      Through valleys and pastures of peace.

      G            D               Em          G
4     You are the friends that I chose for myself
           C      *          D     *
      The word that I want to proclaim
      G            D            Em          C
      You are the new kingdom built on a rock
         G            C             G     *
      Where justice and truth always reign.

      D                   G                 C         *       G   *
      Go, my friends, go to the world, proclaiming love to all
      Am     *              Em      *       C *       D    *
      Messengers of my forgiving peace, e-ternal love
