Dear Lord and Father of Mankind

Key: G Time: 4/4

```
          G          C       G       *
1  Dear Lord and Father of mankind
        Am      C         D     *
   Forgive our foolish ways
      C          *        D        *
   Reclothe us in our rightful mind
      Em     C           D       Bm
   In purer lives Thy service find
      G        C           D      *
   In deeper reverence praise
      Am      C           G      *
   In deeper reverence praise.

      G        C          G             *
2  In simple trust like theirs who heard
      Am       C        D  *
   Beside the Syrian sea
        C          *        D       *
   The gracious calling of the Lord
       Em       C          D       Bm
   Let us, like them, without a word
        G        C        D     *
   Rise up and follow Thee
        Am      C        G     *
   Rise up and follow Thee.

     G          C        G    *
3  O Sabbath rest by Galilee
     Am       C      D     *
   O calm of hills above
           C      *          D             *
   Where Jesus knelt to share with Thee
       Em      C   D    Bm
   The silence of eternity
     G      C        D   *
   Interpreted by love!
     Am   C        G   *
   Interpreted by love!

         G           C          G      *
4  With that deep hush subduing all
       Am          C             D      *
   Our words and works that drown
       C       *          D        *
   The tender whisper of Thy call
```

Em C D Bm
As noiseless let Thy blessing fall
G C D *
As fell Thy manna down
Am C G *
As fell Thy manna down.

G C G *
5 Drop Thy still dews of quietness
Am C D *
Till all our strivings cease
C * D *
Take from our souls the strain and stress
Em C D Bm
And let our ordered lives confess
G C D *
The beauty of Thy peace
Am C G *
The beauty of Thy peace.

G C G *
6 Breathe through the heats of our desire
Am C D *
Thy coolness and Thy balm
C * D *
Let sense be dumb, let flesh retire
Em C D Bm
Speak through the earthquake, wind, and fire
G C D *
O still, small voice of calm
Am C G *
O still, small voice of calm.
