Abide with Me

Key: G Time: 4/4

```
  G *          *    *    C          D    G    *
1 A-bide with me: fast falls the eventide
  G    D         C  G     Am          G    D    *
  The darkness deepens; Lord, with me abide
  G     D     G  *    C          E         Am   *
  When other helpers fail, and comforts flee
  D     G      Em         C  G    D    G    *
  Help of the helpless, O abide with me.

  G      *       *      *    C           D       G    *
2 Swift to its close ebbs out life's little day
  G        D          C    G   Am       G      D    *
  Earth's joys grow dim, its glories pass away
  G       D     G    *  C    E        Am   *
  Change and decay in all around I see
  D G         Em        C     G    D    G    *
  O Thou who changest not, abide with me.

  G *         *  *     C     D       G    *
3 I need Thy presence every passing hour
  G    D        C     G   Am       G         D  *
  What but Thy grace can foil the tempter's power?
  G    D        G     *  C         E         Am  *
  Who, like Thyself, my guide and stay can be?
  D        G          Em        C      G    D    G   *
  Through cloud and sunshine, Lord, abide with me.

  G *        *    *    C       D       G     *
4 I fear no foe, with Thee at hand to bless
  G    D        C        G   Am       G     D    *
  Ills have no weight, and tears no bitterness
  G     D          G      *      C          E    Am  *
  Where is death's sting? where, grave, thy victory?
  D G        Em        C     G    D    G    *
  I triumph still, if Thou abide with me.

  G    *         *     * C       D       G    *
5 Hold Thou Thy Cross before my closing eyes
  G     D           C      G   Am       G      D     *
  Shine through the gloom, and point me to the skies
  G         D        G       *   C             E        Am   *
  Heaven's morning breaks, and earth's vain shadows flee
  D  G         Em        C      G    D    G    *
  In life, in death, O Lord, abide with me.
