1 Dear Lord and Father of mankind
     Am         C         D    *
  Forgive our foolish ways
    C           *        D          *
  Reclothe us in our rightful mind
     Em     C           D         Bm
  In purer lives Thy service find
     G       C           D      *
  In deeper reverence praise
     Am      C           G      *
  In deeper reverence praise.

     G       C           G
2 In simple trust like theirs who
    *
   heard
    Am         C       D   *
  Beside the Syrian sea
      C          *        D       *
  The gracious calling of the Lord
      Em        C        D        Bm
  Let us, like them, without a word
       G       C       D    *
  Rise up and follow Thee
       Am      C       G    *
  Rise up and follow Thee.

     G        C        G    *
3 O Sabbath rest by Galilee
     Am       C       D    *
  O calm of hills above
        C      *          D            *
  Where Jesus knelt to share with Thee
      Em       C    D     Bm
  The silence of eternity
    G      C       D    *
  Interpreted by love!
    Am     C       G    *
  Interpreted by love!

       G          C        G      *
4 With that deep hush subduing all
      Am         C           D     *
  Our words and works that drown
      C       *        D       *
  The tender whisper of Thy call

    Em          C        D         Bm
  As noiseless let Thy blessing fall
    G          C      D    *
  As fell Thy manna down
    Am         C      G    *
  As fell Thy manna down.

       G          C        G     *
5 Drop Thy still dews of quietness
      Am       C          D     *
  Till all our strivings cease
      C         *          D
  Take from our souls the strain and
   *
   stress
     Em       C        D         Bm
  And let our ordered lives confess
     G       C       D     *
  The beauty of Thy peace
     Am      C       G     *
  The beauty of Thy peace.

          G            C         G
6 Breathe through the heats of our de-
   *
   sire
     Am        C        D    *
  Thy coolness and Thy balm
     C         *          D        *
  Let sense be dumb, let flesh retire
       Em           C            D
  Speak through the earthquake, wind,
      Bm
   and fire
    G              C         D    *
  O still, small voice of calm
    Am             C         G    *
  O still, small voice of calm.
