```
  G          C       Am          D
1 O Master, let me walk with Thee
  D7        G         A        D
  In lowly paths of service free
  D7           G        C        D
  Tell me Thy secret, help me bear
      C          Am         D        G
  The strain of toil, the fret of care.

  G            C        Am        D
2 Help me the slow of heart to move
  D7              G        A        D
  By some clear, winning word of love
  D7            G        C        D
  Teach me the wayward feet to stay
      C           Am      D         G
  And guide them in the homeward way.

  G             C          Am          D
3 Teach me Thy patience; still with Thee
  D7          G       A      D
  In closer, dearer company
  D7            G            C          D
  In work that keeps faith sweet and strong
     C           Am        D     G
  In trust that triumphs over wrong.

  G             C        Am       D
4 In hope that sends a shining ray
  D7            G         A           D
  Far down the future's broad'ning way
  D7             G     C           D
  In peace that only Thou canst give
       C        Am       D       G
  With Thee, O Master, let me live.
