The Gift of Love

Key: C Time: 4/4

```
          C     *    *  F    *       C   * *
1 Though I may speak   with bravest fire--
      C         Am   *  Dm *     G    * *
  And have the gift   to all inspire--
      G         C    * Dm *          C   * Dm
  And have not love, my words are vain--
     Dm       G    * F   *         C   * *
  As sounding brass, and hopeless gain--.

          C     *   *  F   *    C   * *
2 Though I may give   all I possess--
      C         Am *  Dm *       G   * *
  And striving so    my love profess--
      G       C  *  Dm *        C * Dm
  But not be given by love within--
      Dm      G   *  F     *         C   * *
  The profit soon   turns strangely thin--.

        C       *   * F   *          C   * *
3 Come, Spirit, come, our hearts control--
      C        Am  *  Dm *       G    * *
  Our spirits long   to be made whole--
      G       C   *  Dm    *     C   * Dm
  Let inward love   guide every deed--
     Dm       G  * F     *       C    * *
  By this we wor--ship, and are freed--.
