The Gift of Love

Key: F Time: 4/4

```
          F      *     *  Bb    *        F    * *
1 Though I may speak   with bravest fire--
      F         Dm   *  Gm *      C     * *
  And have the gift   to all inspire--
      C         F    * Gm *          F    * Gm
  And have not love, my words are vain--
     Gm        C     * Bb   *         F    * *
  As sounding brass, and hopeless gain--.

          F      *    *  Bb   *     F    * *
2 Though I may give   all I possess--
      F         Dm *  Gm *        C    * *
  And striving so    my love profess--
      C       F   *   Gm *         F * Gm
  But not be given by love within--
      Gm      C    *  Bb     *          F    * *
  The profit soon   turns strangely thin--.

        F        *    * Bb   *          F    * *
3 Come, Spirit, come, our hearts control--
      F        Dm   *  Gm *        C     * *
  Our spirits long   to be made whole--
      C       F    *  Gm     *      F    * Gm
  Let inward love   guide every deed--
     Gm       C   * Bb     *        F     * *
  By this we wor--ship, and are freed--.
