```
       F          *            Bb          *
1 On a hill far away stood an old rugged cross
     C7         *             F    *
  The emblem of suffering and shame
       F             *               Bb          *
  And I love that old cross where the dearest and best
       C             *           F    *
  For a world of lost sinners was slain

|        C           *          F    *         Bb          *          F   *
| So I'll cherish the old rugged cross, till my trophies at last I lay down
|       F            F7         Bb   Gm      F              C         F    *
| I will cling to the old rugged cross, and exchange it some day for a crown

       F          *            Bb           *
2 O that old rugged cross, so despised by the world
       C7         *            F *
  Has a wondrous attraction for me
        F            *            Bb     *
  For the dear Lamb of God left His glory above
     C          *         F *
  To bear it to dark Calvary.

|        C           *          F    *         Bb          *          F   *
| So I'll cherish the old rugged cross, till my trophies at last I lay down
|       F            F7         Bb   Gm      F              C         F    *
| I will cling to the old rugged cross, and exchange it some day for a crown

       F          *                   Bb         *
3 In the old rugged cross, stained with blood so divine
    C7       *        F  *
  A wondrous beauty I see
           F           *           Bb           *
  For 'twas on that old cross Jesus suffered and died
     C          *        F *
  To pardon and sanctify me.

|        C           *          F    *         Bb          *          F   *
| So I'll cherish the old rugged cross, till my trophies at last I lay down
|       F            F7         Bb   Gm      F              C         F    *
| I will cling to the old rugged cross, and exchange it some day for a crown

       F          *            Bb      *
4 To the old rugged cross I will ever be true
     C7          *             F   *
  Its shame and reproach gladly bear
            F            *         Bb        *
  Then he'll call me some day to my home far away
```

```
          C        *         F    *
Where his glory forever I’ll share.

        C           *          F    *         Bb          *          F   *
So I’ll cherish the old rugged cross, till my trophies at last I lay down
       F            F7         Bb   Gm      F              C         F    *
I will cling to the old rugged cross, and exchange it some day for a crown
