```
     C          F   *     G       *       C   * *
1 Be still, my soul: the Lord is on your side--
       C      F *    G         *        C   * *
  Bear patiently the cross of grief or pain--
        *       Am *   Em    G      Dm   * *
  Leave to your God to order and provide--
     Dm    C     *    F         *      E7   * C
  In every change God faithful will remain--
     C          Am   *      Em          *        Dm    * *
  Be still, my soul: your best, your heavenly friend--
          Dm     C   *      F    G      C   * *
  Through thorny ways leads to a joyful end--.

     C          F   *      G        *    C   * *
2 Be still, my soul: your God will undertake--
     C          F *     G     *    C   * *
  To guide the fu-ture as in ages past--
       *          Am *  Em         G       Dm    * *
  Your hope, your con-fidence let nothing shake--
      Dm     C *      F         *         E7   * C
  All now myste-rious shall be bright at last--
     C          Am   *     Em         *           Dm   * *
  Be still, my soul: the waves and winds still know--
      Dm         C    *     F         G       C   * *
  The Christ who ruled them while he dwelt below--.

     C          F   *     G       *         C * *
3 Be still, my soul: the hour is hastening on--
       C        F *   G    *        C   * *
  When we shall be forever with the Lord--
       *    Am   *      Em         G        Dm   * *
  When disappoint-ment, grief, and fear are gone--
     Dm     C  *        F      *      E7    * C
  Sorrow forgot, love's purest joys restored--
     C          Am   *      Em         *         Dm   * *
  Be still, my soul: when change and tears are past--
      Dm       C  *     F         G       C   * *
  All safe and bles-sed we shall meet at last--.
