Be Still, My Soul

Key: G Time: 4/4 Tune: FINLANDIA

```
     G          C   *     D       *       G   * *
1 Be still, my soul: the Lord is on your side--
       G      C *    D         *        G   * *
  Bear patiently the cross of grief or pain--
        *       Em *   Bm    D      Am   * *
  Leave to your God to order and provide--
     Am    G     *    C         *      B7   * G
  In every change God faithful will remain--
     G          Em   *      Bm          *        Am    * *
  Be still, my soul: your best, your heavenly friend--
          Am     G   *      C    D      G   * *
  Through thorny ways leads to a joyful end--.

     G          C   *      D        *    G   * *
2 Be still, my soul: your God will undertake--
     G          C *     D     *    G   * *
  To guide the fu-ture as in ages past--
       *          Em *  Bm         D       Am    * *
  Your hope, your con-fidence let nothing shake--
      Am     G *      C         *         B7   * G
  All now myste-rious shall be bright at last--
     G          Em   *     Bm         *           Am   * *
  Be still, my soul: the waves and winds still know--
      Am         G    *     C        D       G   * *
  The Christ who ruled them while he dwelt below--.

     G          C   *     D       *         G * *
3 Be still, my soul: the hour is hastening on--
       G        C *   D    *        G   * *
  When we shall be forever with the Lord--
       *    Em   *      Bm          D        Am   * *
  When disappoint-ment, grief, and fear are gone--
     Am     G  *        C      *      B7    * G
  Sorrow forgot, love's purest joys restored--
     G          Em   *      Bm          *         Am   * *
  Be still, my soul: when change and tears are past--
      Am       G  *     C        D       G   * *
  All safe and bles-sed we shall meet at last--.
