1 O sacred Head, now wounded

How pale thou art with anguish

With sore abuse and scorn

How does that visage la-nguish
Bb C F
Which once was bright as morn.

2 What Thou, my Lord, hast suffered
Dm A Dm
T'was all for sinners' gain

Mine, mine was the transgression
Dm A Dm
But Thine the deadly pain

Lo, here I fall, my Saviour
Bb * Dm
'Tis I deserve Thy place
C F G C
Look on me with Thy fa-vour
Bb C F
Vouchsafe to me Thy grace.

Bb * C F
3 What language shall I borrow
Dm A Dm
To thank thee, dearest Friend
Bb * C F
For this, thy dying sorrow
Dm A Dm
Thy pity without end?
C Bb F *
Oh, make me thine forever
Bb * Dm
And should I fainting be
C F G C
Lord, let me never, never
Bb C F
Outlive my love to thee.

Bb * C F
4 Be near when I am dying
Dm A Dm
Oh, show thy cross to me
Bb * C F
And for my rescue, fl-ying
Dm A Dm
Come, Lord, and set me free!
C Bb F *
These eyes, new faith receiving
Bb * Dm
From Jesus shall not move
C F G C
For one who dies believing
Bb C F
Dies safely, through thy love.
