```
  C     *       F        *      C       *        G   *
1 Jesus keep me near the cross, there a precious fountain
  C       *     F       *      C          G         *   C
  Free to all a healing stream flows from Calvary's mountain

| C      *      F      *      C     *     G *
| In the cross, in the cross, be my glory e-ver
| C       *        F          *    C      *        G C
| Till my raptured soul shall find rest beyond the river

  C        *        F         *     C        *     G     *
2 Near the cross, a trembling soul, Love and Mercy found me
  C         *          F       *    C         G      *     C
  There the bright and morning star sheds its beams around me.

| C      *      F      *      C     *     G *
| In the cross, in the cross, be my glory e-ver
| C       *        F          *    C      *        G C
| Till my raptured soul shall find rest beyond the river

  C        *        F       *   C         *        G    *
3 Near the cross! O Lamb of God bring its scenes before me
  C       *         F      *   C        G       *    C
  Help me walk from day to day with its shadows o'er me.

| C      *      F      *      C     *     G *
| In the cross, in the cross, be my glory e-ver
| C       *        F          *    C      *        G C
| Till my raptured soul shall find rest beyond the river

  C        *          F         *     C      *        G *
4 Near the cross I'll watch and wait, hoping trusting e-ver
  C      *         F      *      C      G        * C
  Till I reach the golden strand just beyond the river

| C      *      F      *      C     *     G *
| In the cross, in the cross, be my glory e-ver
| C       *        F          *    C      *        G C
| Till my raptured soul shall find rest beyond the river
