Trust and Obey

Key: G Time: 3/4 Tune: TRUST AND OBEY

```
          G             *           D            G
1 When we walk with the Lord in the light of His Word
         C        G            D
  What a glory He sheds on our way
           G           *         D             G
  While we do His good will, he abides with us still
           C            D          G
  And with all who will trust and obey

| D          G                E        Am
| Trust and obey! for there's no other way
|       D        G            D          G
| To be happy in Jesus but to trust and obey

        G         *           D         G
2 Not a burden we bear, not a sorrow we share
          C            G        D
  But our toil He doth richly repay
        G          *           D          G
  Not a grief or a loss, not a frown or a cross
         C           D          G
  But is blest if we trust and obey

| D          G                E        Am
| Trust and obey! for there's no other way
|       D        G            D          G
| To be happy in Jesus but to trust and obey

         G         *           D             G
3 But we never can prove the delights of His love
        C          G        D
  Until all on the altar we lay
         G        *             D        G
  For the favor He shows and the joy He bestows
         C             D          G
  Are for them who will trust and obey

| D          G                E        Am
| Trust and obey! for there's no other way
|       D        G            D          G
| To be happy in Jesus but to trust and obey
```

```
         G          *              D          G
4 Then in fellowship sweet, we will sit at His feet
          C           G           D
  Or we'll walk by His side in the way
         G            *            D             G
  What He says we will do, where He sends we will go
       C          D          G
  Never fear, only trust and obey

  D          G                E        Am
  Trust and obey! for there's no other way
       D        G            D          G
  To be happy in Jesus but to trust and obey
```
