Come Down O Love Divine

Key: G Time: 2/4 Tune: DOWN AMPNEY

```
  G    *       D    C G   * *    *         Em   A  D
1 Come down, O Love divine, seek thou this soul of mine
  D   C     *       Am        *     D  G   *
  And visit it with thine own ardor glowing
  Em *     G    A    D   * F C       Am    G D
  O  Comforter, draw near, within my heart appear
  D   G      D       G    Am      D  G   *
  And kindle it, thy holy flame bestowing.

  G *      D   C  G   * *    *       Em A     D
2 O let it freely burn, till earthly passions turn
  D  C        *     Am     *       D G   *
  To dust and ashes in its heat consuming
  Em  *       G  A     D    *  F     C    Am G  D
  And let thy glorious light   shine ever on my sight
  D   G         D          G        Am     D G   *
  And clothe me round, the while my path illuming.

  G   *      D   C    G     * *    *         Em   A    D
3 And so the yearning strong, with which the soul will long
  D     C      *        Am       *     D  G   *
  Shall far outpass the power of human telling
  Em  *        G     A   D    * F    C    Am   G   D
  For none can guess its grace, till we become the place
  D    G      D    G      Am      D  G    *
  Wherein the Holy Spirit makes a dwelling.
