        G      D    Bm    Am          G       C        D      Am
1 Come, O Thou Traveler unknown, whom still I hold but cannot see
     G    D    Bm      Am        G    Am    D         G
  My company before is gone, and I am left alone with Thee
       G        D       Bm      D         G       Bm        Am       D
  With Thee all night I mean to stay, and wrestle till the break of day
       G        D       Bm      D         G       Am       D        G
  With Thee all night I mean to stay, and wrestle till the break of day.

    G        D         Bm    Am     G       C   D    Am
2 I need not tell Thee who I am, my sin and misery declare
     G         D         Bm    Am         G      Am       D       G
  Thyself hast called me by my name, look on Thy hands, & read it there
     G      D         Bm      D          G      Bm        Am      D
  But who, I ask Thee, who art Thou? Tell me Thy name, and tell me now
     G      D         Bm      D          G      Am        D       G
  But who, I ask Thee, who art Thou? Tell me Thy name, and tell me now.

       G     D        Bm   Am        G    C       D       Am
3 Yield to me now, for I am weak, but confident in self despair
       G     D         Bm        Am        G         Am    D       G
  Speak to my heart, in blessings speak, be conquered by my instant prayer
        G       D     Bm          D         G       Bm     Am      D
  Speak, or Thou never hence shalt move, and tell me if Thy name be Love
       G       D     Bm          D         G       Am     D       G
  Speak, or Thou never hence shalt move, and tell me if Thy name be Love.

     G         D          Bm         Am    G        C       D     Am
4 Tis Love! Tis Love! Thou diedst for me, I hear Thy whisper in my heart
     G       D           Bm      Am          G  Am     D         G
  The morning breaks, the shadows flee: pure, universal Love Thou art
    G      D       Bm      D         G      Bm      Am      D
  To me, to all Thy mercies move; Thy nature and Thy name is Love
    G      D       Bm      D         G      Am      D       G
  To me, to all Thy mercies move; Thy nature and Thy name is Love.
