Come Thou Fount of Every Blessing

Key: G Time: 3/4 Tune: NETTLETON

```
             G               D
1 Come, thou Fount of every blessing
          C                  G
  Tune my heart to sing thy grace
             G            D
  Streams of mercy, never ceasing
          C                 G
  Call for songs of loudest praise

          G               Em
  Teach me some melodious sonnet
         C                 G
  Sung by flaming tongues above
            G                  D
  Praise the mount! I'm fixed upon it
          C              G
  Mount of thy redeeming love.

        G           D
2 Here I raise my Ebenezer
        C               G
  Hither by thy help I'm come
      G                 D
  And I hope, by thy good pleasure
        C            G
  Safely to arrive at home

      G                Em
  Jesus sought me when a stranger
           C                 G
  Wandering from the fold of God
        G              D
  He, to rescue me from danger
     C                  G
  Interposed his precious blood.

     G                D
3 O to grace how great a debtor
       C                  G
  Daily I'm constrained to be!
         G                D
  Let thy goodness, like a fetter
         C                   G
  Bind my wandering heart to thee

          G               Em
  Prone to wander, Lord, I feel it
          C               G
  Prone to leave the God I love
           G                 D
  Here's my heart, O take and seal it
         C               G
  Seal it for thy courts above.
