God Moves in a Mysterious Way

Key: C Time: 3/4 Tune: MYSTERY

```
      C         G     Am       C
1 God moves in a mysterious way!
      C        *      G    *
  His wonders to perform
     Am           G          F       Am
  He plants His footsteps in the sea
      F       G        C     *
  And rides upon the storm!

      C     G     Am     C
  Deep in unfathomable mines
     C      *        G     *
  Of never-failing skill
     Am         G       F       Am
  He treasures up His bright designs
      F          G          C    *
  And works His sovereign will.

| F       *       Am      C
| God of mercy! God of grace!
| F        C        Gsus4  G
| Give us eyes to see---!
| F        *         Am       C
| Eyes to see Your smiling face
|   F         C     Dsus4  D
| Within the mystery----
|   F         G     C *
| Within the mystery!

     C        G               Am       C
2 Ye fearful saints, fresh courage take!
      C          *        G     *
  The clouds ye so much dread
      Am        G      F          Am
  Are big with mercy and shall break
     F          G        C    *
  In blessings on your head!

       C        G        Am      C
  Judge not the Lord by feeble sense
      C          *        G     *
  But trust Him for His grace
    Am      G         F     Am
  Behind a frowning providence
     F        G        C    *
  He hides a smiling face!

| F       *       Am      C
| God of mercy! God of grace!

| F        C        Gsus4  G
| Give us eyes to see---!
| F        *         Am       C
| Eyes to see Your smiling face
|   F         C     Dsus4  D
| Within the mystery----
|   F         G     C *
| Within the mystery!

     C     G         Am     C
3 His purposes will ripen fast
     C        *      G    *
  Unfolding ev'ry hour
      Am       G       F       Am
  The bud may have a bitter taste
      F           G       C      *
  But sweet will be the flow'r!

       C   G        Am       C
  Blind unbelief is sure to err
      C         *        G    *
  And scan His work in vain
      Am      G      F      Am
  God is His own interpreter
      F        G        C     *
  And He will make it plain!

| F       *       Am      C
| God of mercy! God of grace!
| F        C        Gsus4  G
| Give us eyes to see---!
| F        *         Am       C
| Eyes to see Your smiling face
|   F         C     Dsus4  D
| Within the mystery----
|   F         G     C *
| Within the mystery!
