Hail to the Lord’s Anointed

Key: C Time: 4/4 Tune: ELLACOMBE

```
       C      G       Am  G
1 Hail to the Lord’s Anointed
        F       G       C  *
  Great David’s greater Son!
       C      G      Am  G
  Hail in the time appointed
      F        G       C  *
  His reign on earth begun!

     C        *       G   *
  He comes to break oppression
     C       *       G   *
  To set the captive free
     C     G        Am  G
  To take away transgression
      F       G   C  *
  And rule in equity.

     C          G      Am  G
2 He comes with succor speedy
     F         G      C    *
  To those who suffer wrong
     C        G        Am G
  To help the poor and needy
      F       G       C     *
  And bid the weak be strong

     C         *         G   *
  To give them songs for sighing
       C        *       G    *
  Their darkness turn to light
       C         G          Am G
  Whose souls, condemned and dy-ing
      F        G      C    *
  Are precious in his sight.

     C          G         Am G
3 He shall come down like showers
   F       G        C    *
  Upon the fruitful earth
       C        G          Am G
  Love, joy, and hope, like flowers
        F      G       C    *
  Spring in his path to birth

     C         *    G   *
  Before him on the mountains
       C          *       G *
  Shall peace, the herald, go

     C         G       Am  G
  And righteousness, in fountains
      F       G      C   *
  From hill to valley flow.

    C         G        Am G
4 To him shall prayer unceasing
     F     G      C   *
  And daily vows ascend
     C       G       Am  G
  His kingdom still increasing
    F       G       C  *
  A kingdom without end

     C       *          G *
  The tide of time shall never
     C   *      G   *
  His covenant remove
     C          G        Am G
  His name shall stand fore--ver
      F       G     C   *
  That name to us is love.
