Hail to the Lord’s Anointed

Key: G Time: 4/4 Tune: ELLACOMBE

```
       G      D       Em  D
1 Hail to the Lord’s Anointed
        C       D       G  *
  Great David’s greater Son!
       G      D      Em  D
  Hail in the time appointed
      C        D       G  *
  His reign on earth begun!

     G        *       D   *
  He comes to break oppression
     G       *       D   *
  To set the captive free
     G     D        Em  D
  To take away transgression
      C       D   G  *
  And rule in equity.

     G          D      Em  D
2 He comes with succor speedy
     C         D      G    *
  To those who suffer wrong
     G        D        Em D
  To help the poor and needy
      C       D       G     *
  And bid the weak be strong

     G         *         D   *
  To give them songs for sighing
       G        *       D    *
  Their darkness turn to light
       G         D          Em D
  Whose souls, condemned and dy-ing
      C        D      G    *
  Are precious in his sight.

     G          D         Em D
3 He shall come down like showers
   C       D        G    *
  Upon the fruitful earth
       G        D          Em D
  Love, joy, and hope, like flowers
        C      D       G    *
  Spring in his path to birth

     G         *    D   *
  Before him on the mountains
       G          *       D *
  Shall peace, the herald, go

     G         D       Em  D
  And righteousness, in fountains
      C       D      G   *
  From hill to valley flow.

    G         D        Em D
4 To him shall prayer unceasing
     C     D      G   *
  And daily vows ascend
     G       D       Em  D
  His kingdom still increasing
    C       D       G  *
  A kingdom without end

     G       *          D *
  The tide of time shall never
     G   *      D   *
  His covenant remove
     G          D        Em D
  His name shall stand fore--ver
      C       D     G   *
  That name to us is love.
