```
    C       *        *  *

  Of unseen things above

  As nothing else can do

'Twill be my theme in glory

To tell the old old story
   C     G       C   *
Of Jesus and His love
```

```
    C       *        *  *
2 I love to tell the story
       F     *      C    *
  More wonderful it seems
      G       *      C      *
  Than all the golden fancies
   *       *      G     *
  Of all our golden dreams
    G       F        C    *
  I love to tell the story
    Am      *        E7 *
  It did so much for me-
     F       *        C     *
  And that is just the reason
    G       *      C   *
  I tell it now to thee

  G       *        C    *
I love to tell the story
       F     *        C    *
'Twill be my theme in glory
   *        *       F    *
To tell the old old story
   C     G       C   *
Of Jesus and His love
```

```
    C       *        *  *
3 I love to tell the story
       F        *    C   *
  'Tis pleasant to repeat
     G           *      C      *
  What seems, each time I tell it
     *     *     G    *
  More wonderfully sweet
    G       F        C    *
  I love to tell the story
    Am        *     E7   *
  For some have never heard
     F       *     C     *
  The message of salvation

  From God's own holy Word

  G       *        C    *
I love to tell the story
       F     *        C    *
'Twill be my theme in glory
   *        *       F    *
To tell the old old story
   C     G       C   *
Of Jesus and His love
```

```
    C       *        *  *
4 I love to tell the story
     F         *       C   *
  For those who know it best
     G    *        C        *
  Seem hungering and thirsting
    *       *        G   *
  To hear it like the rest
     G       F         C    *
  And when in scenes of glory
    Am       *       E7  *
  I sing the new new song
       F      *       C    *
  'Twill be the old old story
     G      *        C   *
  That I have loved so long

  G       *        C    *
I love to tell the story
       F     *        C    *
'Twill be my theme in glory
   *        *       F    *
To tell the old old story
   C     G       C   *
Of Jesus and His love
