In the Garden

Key: G Time: 6/8 Tune: GARDEN

```
    G           *       *   *
1 I come to the garden alone
            C      *            G *
  While the dew is still on the roses
          D       *             Em    G
  And the voice I hear, falling on my ear
      A      *      D  D7
  The Son of God discloses

        G          *          D          *          Am       *        G7
  And He walks with me, and He talks with me, and He tells me I am His own
          G      B7          Em    C           G         D    G
  And the joy we share as we tarry there, none other has ever known

     G              *            *    *
2 He speaks and the sound of His voice
        C         *                G *
  Is so sweet the birds hush their singing
          D   *          Em      G
  And the melody that He gave to me
    A       *        D  D7
  Within my heart is ringing

        G          *          D          *          Am       *        G7
  And He walks with me, and He talks with me, and He tells me I am His own
          G      B7          Em    C           G         D    G
  And the joy we share as we tarry there, none other has ever known

      G           *           *  *
3 I'd stay in the garden with Him
             C      *           G *
  Though the night around me be falling
          D       *              Em       G
  But He bids me go through the voice of woe
      A        *     D  D7
  His voice to me is calling

        G          *          D          *          Am       *        G7
  And He walks with me, and He talks with me, and He tells me I am His own
          G      B7          Em    C           G         D    G
  And the joy we share as we tarry there, none other has ever known
