Jesus, Lover of My Soul

Key: Am Time: 4/4 Tune: ABERYSTWYTH

```
  Am     *     E7    Am    *      *      *     E7
1 Jesus, lover of my soul, let me to thy bosom fly
  Am        *      E7     Am    Em        F       *        Am
  While the nearer waters roll, while the tempest still is high
  Dm       *    C       *     Am       *        C       E7
  Hide me, O my Savior, hide, till the storm of life is past
  F      C      Am    E7     Am  *        E7      Am
  Safe into the haven guide; O receive my soul at last.

  Am    *      E7     Am    *        *        *       E7
2 Other refuge have I none, hangs my helpless soul on thee
  Am         *        E7   Am    Em       F        *       Am
  Leave, ah! leave me not alone, still support and comfort me
  Dm     *        C       *       Am     *         C      E7
  All my trust on thee is stayed, all my help from thee I bring
  F     C    Am        E7   Am       *      E7     Am
  Cover my defenseless head with the shadow of thy wing.

  Am      *           E7    Am    *         *      *      E7
3 Thou, O Christ, art all I want, more than all in thee I find
  Am        *       E7         Am     Em       F          *        Am
  Raise the fallen, cheer the faint, heal the sick, and lead the blind
  Dm       *    C      *     Am   *     C        E7
  Just and holy is thy name, I am all unrighteousness
  F         C       Am    E7  Am       *       E7        Am
  False and full of sin I am; thou art full of truth and grace.

  Am        *          E7      Am     *        *     *      E7
4 Plenteous grace with thee is found, grace to cover all my sin
  Am      *       E7       Am     Em       F       *      Am
  Let the healing streams abound, make and keep me pure within
  Dm      *        C        *    Am     *      C       E7
  Thou of life the fountain art, freely let me take of thee
  F           C    Am      E7     Am      *    E7   Am
  Spring thou up within my heart; rise to all eternity.
