Lord of the Dance

Key: F Time: 2/2 Tune: LORD OF THE DANCE

```
    F              Dm                 Am            Dm
1 I danced in the morning when the world was be-gun
       Gm            *             *              C
  And I danced in the moon and the stars and the sun
       F              Dm            Am             Dm
  And I came down from heaven and I danced on the earth
    Gm    C     Bb     F
  At Bethlehem I had my birth.

| F      Am         *            Dm
| Dance, then, wher-ever you may be
| F        *           Gm          C
| I am the Lord of the dance, said he
|          F        Bb        F    (Bb)    *
| And I'll lead you all, wher-ever you may be
|          Bb       C          F      (Bb) *
| And I'll lead you all in the dance, said he.

    F              Dm             Am    Dm
2 I danced for the scribe and the Pharisee
          Gm        *              *               C
  But they would not dance and they wouldn't follow me
    F              Dm             Am        Dm
  I danced for the fishermen, for James and John
       Gm        C          Bb          F
  They came with me and the dance went on:

| F      Am         *            Dm
| Dance, then, wher-ever you may be
| F        *           Gm          C
| I am the Lord of the dance, said he
|          F        Bb        F    (Bb)    *
| And I'll lead you all, wher-ever you may be
|          Bb       C          F      (Bb) *
| And I'll lead you all in the dance, said he.

    F              Dm             Am        Dm
3 I danced on the Sabbath and I cured the lame
      Gm   *      *              C
  The holy people said it was a shame
       F                Dm                Am          Dm
  They whipped and they stripped and they hung me on high
          Gm      C          Bb       F
  And they left me there on a cross to die:

| F      Am         *            Dm
| Dance, then, wher-ever you may be
| F        *           Gm          C
| I am the Lord of the dance, said he
```

```
          F         Bb         F    (Bb)    *
And I'll lead you all, wher-ever you may be
          Bb        C          F      (Bb) *
And I'll lead you all in the dance, said he.
```

```
   F            Dm               Am          Dm
4 I danced on a Friday when the sky turned black
       Gm      *              *             C
  It's hard to dance with the devil on your back
       F          Dm             Am          Dm
  They buried my body and they thought I'd gone
      Gm       C             Bb       F
  But I am the dance, and I still go on:

Dance, then, wher-ever you may be

And I'll lead you all, wher-ever you may be

And I'll lead you all in the dance, said he.

  I am the life that'll never, never die
       F        Dm            Am       Dm
  I'll live in you if you'll live in me
     Gm      C           Bb          F
  I am the Lord of the dance, said he.
```

I am the Lord of the dance, said he
          F         Bb         F    (Bb)    *
