O God Our Help in Ages Past

Key: C Time: 4/4 Tune: ST. ANNE

```
    C        G       F    C
1 O God, our help in ages past
      Am       D        G   *
  Our hope for years to come
      C       G        Am     E7
  Our shelter from the stormy blast
      F    G      C   *
  And our eternal home;

    C       G      F       C
2 Under the shadow of your throne
      Am          D       G   *
  Your saints have dwelt secure
    C        G       Am   E7
  Sufficient is your arm alone
      F     G        C   *
  And our defense is sure.

    C        G        F     C
3 Before the hills in order stood
     Am      D          G    *
  Or earth received its frame
      C   G       Am      E7
  From everlasting you are God
     F       G         C   *
  To endless years the same.

    C        G    F       C
4 A thousand ages in your sight
      Am      D       G   *
  Are like an evening gone
       C      G          Am       E7
  Short as the watch that ends the night
    F        G      C  *
  Before the rising sun.

       C       G    F       C
5 Time, like an ever-rolling stream
      Am       D    G  *
  Soon bears us all away
     C      G       Am   E7
  We fly forgotten, as a dream
      F      G       C  *
  Dies at the op'ning day.

    C        G       F    C
6 O God, our help in ages past
      Am       D        G   *
  Our hope for years to come
       C      G           Am       E7
  Still be our guard while troubles last
     F    G      C   *
  And our eternal home.
