Sweet Hour of Prayer

Key: F Time: 3/4 Tune: SWEET HOUR

```
       F       *             Bb      *
1 Sweet hour of prayer, sweet hour of prayer
      F        *      C        *
  That calls me from a world of care
     F       *     Bb       *
  And bids me at my Father's throne
      F      *         C      F
  Make all my wants and wishes known

    F        Bb    F         *
  In sea-sons of distress and grief
    F        Bb    F       C
  My soul has often found relief
     F     *         Bb        *
  And oft escaped the tempter's snare
    F     *           C       F
  By thy return, sweet hour of prayer.

       F       *             Bb      *
2 Sweet hour of prayer, sweet hour of prayer
     F      *         C       *
  The joys I feel, the bliss I share
    F           *       Bb      *
  Of those whose anxious spirits burn
      F        *         C     F
  With strong desires for thy return!

     F      Bb     F      *
  With such I hasten to the place
       F      Bb     F         C
  Where God my Savior shows his face
     F      *       Bb      *
  And gladly take my station there
     F        *           C       F
  And wait for thee, sweet hour of prayer!

       F       *             Bb      *
3 Sweet hour of prayer, sweet hour of prayer
     F           *    C      *
  Thy wings shall my petition bear
    F         *         Bb      *
  To him whose truth and faithfulness
   F        *       C       F
  Engage the waiting soul to bless

     F        Bb      F        *
  And since he bids me seek his face
   F         Bb        F         C
  Believe his word, and trust his grace
      F       *      Bb    *
  I'll cast on him my every care
     F        *           C       F
  And wait for thee, sweet hour of prayer.
