Sweet Hour of Prayer

Key: G Time: 3/4 Tune: SWEET HOUR

```
       G       *             C       *
1 Sweet hour of prayer, sweet hour of prayer
      G        *      D        *
  That calls me from a world of care
     G       *     C        *
  And bids me at my Father's throne
      G      *         D      G
  Make all my wants and wishes known

    G        C     G         *
  In sea-sons of distress and grief
    G        C     G       D
  My soul has often found relief
     G     *         C         *
  And oft escaped the tempter's snare
    G     *           D       G
  By thy return, sweet hour of prayer.

       G       *             C       *
2 Sweet hour of prayer, sweet hour of prayer
     G      *         D       *
  The joys I feel, the bliss I share
    G           *       C       *
  Of those whose anxious spirits burn
      G        *         D     G
  With strong desires for thy return!

     G      C      G      *
  With such I hasten to the place
       G      C      G         D
  Where God my Savior shows his face
     G      *       C       *
  And gladly take my station there
     G        *           D       G
  And wait for thee, sweet hour of prayer!

       G       *             C       *
3 Sweet hour of prayer, sweet hour of prayer
     G           *    D      *
  Thy wings shall my petition bear
    G         *         C       *
  To him whose truth and faithfulness
   G        *       D       G
  Engage the waiting soul to bless

     G        C       G        *
  And since he bids me seek his face
   G         C         G         D
  Believe his word, and trust his grace
      G       *      C     *
  I'll cast on him my every care
     G        *           D       G
  And wait for thee, sweet hour of prayer.
