The Old Rugged Cross

Key: C Time: 6/8 Tune: THE OLD RUGGED CROSS

```
       C         *            F          *
1 On a hill far away stood an old rugged cross
     G7        *             C    *
  The emblem of suffering and shame
       C             *               F           *
  And I love that old cross where the dearest and best
       G             *           C    *
  For a world of lost sinners was slain

        G           *          C    *         F           *          C   *
  So I'll cherish the old rugged cross, till my trophies at last I lay down
       C            C7         F    Dm      C              G         C    *
  I will cling to the old rugged cross, and exchange it some day for a crown

       C          *            F            *
2 O that old rugged cross, so despised by the world
      G7         *            C *
  Has a wondrous attraction for me
       C            *            F      *
  For the dear Lamb of God left His glory above
    G          *         C *
  To bear it to dark Calvary.

        G           *          C    *         F           *          C   *
  So I'll cherish the old rugged cross, till my trophies at last I lay down
       C            C7         F    Dm      C              G         C    *
  I will cling to the old rugged cross, and exchange it some day for a crown

       C          *                   F          *
3 In the old rugged cross, stained with blood so divine
    G7       *        C  *
  A wondrous beauty I see
          C           *           F            *
  For 'twas on that old cross Jesus suffered and died
    G          *        C *
  To pardon and sanctify me.

        G           *          C    *         F           *          C   *
  So I'll cherish the old rugged cross, till my trophies at last I lay down
       C            C7         F    Dm      C              G         C    *
  I will cling to the old rugged cross, and exchange it some day for a crown

       C          *            F       *
4 To the old rugged cross I will ever be true
     G7          *             C   *
  Its shame and reproach gladly bear
           C            *         F         *
  Then he'll call me some day to my home far away
```

```
          G        *         C    *
Where his glory forever I’ll share.
```

```
        G           *          C    *         F           *          C   *
So I’ll cherish the old rugged cross, till my trophies at last I lay down
       C            C7         F    Dm      C              G         C    *
I will cling to the old rugged cross, and exchange it some day for a crown
