Trust and Obey

Key: C Time: 3/4 Tune: TRUST AND OBEY

```
          C             *
1 When we walk with the Lord
         G            C
  In the light of His Word
        F        C            G
  What a glory He sheds on our way
          C           *
  While we do His good will
     G             C
  He abides with us still
          F            G          C
  And with all who will trust and obey

| G          C
| Trust and obey!
|             A        Dm
| For there's no other way
|       G        C
| To be happy in Jesus
|        G          C
| But to trust and obey

       C         *
2 Not a burden we bear
       G         C
  Not a sorrow we share
         F            C        G
  But our toil He doth richly repay
       C          *
  Not a grief or a loss
       G          C
  Not a frown or a cross
        F           G          C
  But is blest if we trust and obey

| G          C
| Trust and obey!
|             A        Dm
| For there's no other way
|       G        C
| To be happy in Jesus
|        G          C
| But to trust and obey

        C         *
3 But we never can prove
       G             C
  The delights of His love
       F          C        G
  Until all on the altar we lay
        C        *
  For the favor He shows
        G        C
  And the joy He bestows
        F             G          C
  Are for them who will trust and obey

| G          C
| Trust and obey!
|             A        Dm
| For there's no other way
|       G        C
| To be happy in Jesus
|        G          C
| But to trust and obey

         C          *
4 Then in fellowship sweet
         G          C
  We will sit at His feet
          F           C           G
  Or we'll walk by His side in the way
         C            *
  What He says we will do
          G             C
  Where He sends we will go
       F          G          C
  Never fear, only trust and obey

| G          C
| Trust and obey!
|             A        Dm
| For there's no other way
|       G        C
| To be happy in Jesus
|        G          C
| But to trust and obey
```
