Trust and Obey

Key: F Time: 3/4 Tune: TRUST AND OBEY

```
          F             *
1 When we walk with the Lord
         C            F
  In the light of His Word
        Bb       F            C
  What a glory He sheds on our way
          F           *
  While we do His good will
     C             F
  He abides with us still
          Bb           C          F
  And with all who will trust and obey

| C          F
| Trust and obey!
|             D        Gm
| For there's no other way
|       C        F
| To be happy in Jesus
|        C          F
| But to trust and obey

       F         *
2 Not a burden we bear
       C         F
  Not a sorrow we share
         Bb           F        C
  But our toil He doth richly repay
       F          *
  Not a grief or a loss
       C          F
  Not a frown or a cross
        Bb          C          F
  But is blest if we trust and obey

| C          F
| Trust and obey!
|             D        Gm
| For there's no other way
|       C        F
| To be happy in Jesus
|        C          F
| But to trust and obey

        F         *
3 But we never can prove
       C             F
  The delights of His love
      Bb          F        C
  Until all on the altar we lay
        F        *
  For the favor He shows
        C        F
  And the joy He bestows
        Bb            C          F
  Are for them who will trust and obey

| C          F
| Trust and obey!
|             D        Gm
| For there's no other way
|       C        F
| To be happy in Jesus
|        C          F
| But to trust and obey

        F          *
4 Then in fellowship sweet
        C          F
  We will sit at His feet
         Bb          F            C
  Or we'll walk by His side in the way
        F             *
  What He says we will do
         C              F
  Where He sends we will go
       Bb          C          F
  Never fear, only trust and obey

| C          F
| Trust and obey!
|             D        Gm
| For there's no other way
|       C        F
| To be happy in Jesus
|        C          F
| But to trust and obey
```
