Trust and Obey

Key: G Time: 3/4 Tune: TRUST AND OBEY

```
          G             *
1 When we walk with the Lord
         D            G
  In the light of His Word
        C        G            D
  What a glory He sheds on our way
          G           *
  While we do His good will
     D            G
  He abides with us still
          C            D          G
  And with all who will trust and obey

| D          G
| Trust and obey!
|             E        Am
| For there's no other way
|       D        G
| To be happy in Jesus
|        D          G
| But to trust and obey

       G         *
2 Not a burden we bear
       D         G
  Not a sorrow we share
         C            G        D
  But our toil He doth richly repay
       G          *
  Not a grief or a loss
       D          G
  Not a frown or a cross
        C           D          G
  But is blest if we trust and obey

| D          G
| Trust and obey!
|             E        Am
| For there's no other way
|       D        G
| To be happy in Jesus
|        D          G
| But to trust and obey

         G         *
3 But we never can prove
       D            G
  The delights of His love
       C          G        D
  Until all on the altar we lay
         G        *
  For the favor He shows
         D        G
  And the joy He bestows
         C             D          G
  Are for them who will trust and obey

| D          G
| Trust and obey!
|             E        Am
| For there's no other way
|       D        G
| To be happy in Jesus
|        D          G
| But to trust and obey

         G          *
4 Then in fellowship sweet
         D          G
  We will sit at His feet
          C           G            D
  Or we'll walk by His side in the way
         G            *
  What He says we will do
          D             G
  Where He sends we will go
       C          D          G
  Never fear, only trust and obey

| D          G
| Trust and obey!
|             E        Am
| For there's no other way
|       D        G
| To be happy in Jesus
|        D          G
| But to trust and obey
```
