Alas! and Did My Savior Bleed

Key: G Time: 4/4 Tune: HUDSON

```
   G        *      C      G
1 Alas! and did my Savior bleed
      G      *         D  *
  And did my Sovereign die?
        G    *         C      G
  Would he devote that sacred head
      D       *       G *
  For sinners such as I-?

        G             C             G             *
  At the cross, at the cross where I first saw the light
         G            D             *  *
  And the burden of my heart rolled away
        G        *         C         G
  It was there by faith I received my sight
      G        D             G  *
  And now I am happy all the day.

      G      *           C      G
2 Was it for crimes that I have done
     G        *       D   *
  He groaned upon the tree?
   G      *     C       G
  Amazing pity! Grace unknown!
      D      *      G   *
  And love beyond degree!

        G             C             G             *
  At the cross, at the cross where I first saw the light
         G            D             *  *
  And the burden of my heart rolled away
        G        *         C         G
  It was there by faith I received my sight
      G        D             G  *
  And now I am happy all the day.

       G         *      C        G
3 Well might the sun in darkness hide
      G        *       D *
  And shut its glories in
       G        *      C      G
  When God, the mighty maker, died
      D       *          G  *
  For his own creature's sin.

        G             C             G             *
  At the cross, at the cross where I first saw the light
         G            D             *  *
  And the burden of my heart rolled away
```

```
       G        *         C         G
It was there by faith I received my sight
    G        D             G  *
And now I am happy all the day.
```

```
     G       *       C        G
4 Thus might I hide my blushing face
      G        *       D    *
  While his dear cross appears
   G        *        C       G
  Dissolve my heart in thankfulness
    D         *       G    *
  And melt mine eyes to tears.
```

```
       G             C             G             *
At the cross, at the cross where I first saw the light
        G            D             *  *
And the burden of my heart rolled away
       G        *         C         G
It was there by faith I received my sight
    G        D             G  *
And now I am happy all the day.
```

```
    G        *         C       G
5 But drops of tears can ne’er repay
    G       *      D  *
  The debt of love I owe
      G       *      C     G
  Here, Lord, I give myself away
     D        *     G *
  ’Tis all that I can do.
```

```
       G             C             G             *
At the cross, at the cross where I first saw the light
        G            D             *  *
And the burden of my heart rolled away
       G        *         C         G
It was there by faith I received my sight
    G        D             G  *
And now I am happy all the day.
