```
       G                  *            *             *
1 Mine eyes have seen the glory of the coming of the Lord
        C                 *                G                   D

          G                   *                B7              Em
  He hath loosed the fateful lightning of His terrible, swift sword

  His truth is marching on.

  G      *           * *    C      *           G *

2 I have seen Him in the watchfires of a hundred circling camps
            C              *            G                D
  They have builded Him an altar in the evening dews and damps
        G                  *               B7               Em
  I can read His righteous sentence by the dim and flaring lamps

  His day is marching on!
