# The Old Rugged Cross

Key: F  Time: 6/8

```
  F    *         *            Bb         *
1 On a hill far away stood an old rugged cross
      C7        *             F    *
  The emblem of suffering and shame
        F             *               Bb          *
  And I love that old cross where the dearest and best
        C             *           F    *
  For a world of lost sinners was slain

          C           *          F    *
  So I'll cherish the old rugged cross
          Bb          *          C   *
  Till my trophies at last I lay down
         F            F7         Bb   Gm
  I will cling to the old rugged cross
        F              C         F    C
  And exchange it some day for a crown

          F          *            Bb           *
2 O that old rugged cross, so despised by the world
        C7         *            F *
  Has a wondrous attraction for me
          F            *            Bb     *
  For the dear Lamb of God left His glory above
     C          *         F *
  To bear it to dark Calvary.

          C           *          F    *
  So I'll cherish the old rugged cross
          Bb          *          C   *
  Till my trophies at last I lay down
         F            F7         Bb   Gm
  I will cling to the old rugged cross
        F              C         F    C
  And exchange it some day for a crown

          F          *                   Bb         *
3 In the old rugged cross, stained with blood so divine
    C7       *        F  *
  A wondrous beauty I see
            F           *           Bb           *
  For 'twas on that old cross Jesus suffered and died
     C          *        F *
  To pardon and sanctify me.

          C           *          F    *
  So I'll cherish the old rugged cross
          Bb          *          C   *
  Till my trophies at last I lay down
```

```
       F            F7          Bb    Gm
I will cling to the old rugged cross
      F             C          F    C
And exchange it some day for a crown

       F          *            Bb      *
To the old rugged cross I will ever be true
    C7          *             F   *
Its shame and reproach gladly bear
           F            *         Bb        *
Then he'll call me some day to my home far away
          C        *         F    *
Where his glory forever I'll share.

        C           *          F    *
So I'll cherish the old rugged cross
        Bb          *          C   *
Till my trophies at last I lay down
       F            F7          Bb    Gm
I will cling to the old rugged cross
      F             C          F    C
And exchange it some day for a crown
```
