The Old Rugged Cross

Key: G Time: 6/8

```
  G    *         *            C          *
1 On a hill far away stood an old rugged cross
     D7        *             G    *
  The emblem of suffering and shame
       G             *               C           *
  And I love that old cross where the dearest and best
       D             *           G    *
  For a world of lost sinners was slain

        D           *          G    *
  So I'll cherish the old rugged cross
        C           *          D   *
  Till my trophies at last I lay down
       G            G7         C    Am
  I will cling to the old rugged cross
       G             D         G    D
  And exchange it some day for a crown

        G          *            C            *
2 O that old rugged cross, so despised by the world
       D7         *            G *
  Has a wondrous attraction for me
        G            *            C      *
  For the dear Lamb of God left His glory above
     D          *         G *
  To bear it to dark Calvary.

        D           *          G    *
  So I'll cherish the old rugged cross
        C           *          D   *
  Till my trophies at last I lay down
       G            G7         C    Am
  I will cling to the old rugged cross
       G             D         G    D
  And exchange it some day for a crown

        G          *                   C          *
3 In the old rugged cross, stained with blood so divine
    D7       *        G  *
  A wondrous beauty I see
          G           *           C            *
  For 'twas on that old cross Jesus suffered and died
     D          *        G *
  To pardon and sanctify me.

        D           *          G    *
  So I'll cherish the old rugged cross
        C           *          D   *
  Till my trophies at last I lay down
```

```
       G            G7          C    Am
I will cling to the old rugged cross
      G             D          G    D
And exchange it some day for a crown

       G          *            C       *
To the old rugged cross I will ever be true
    D7          *             G   *
Its shame and reproach gladly bear
           G            *         C         *
Then he'll call me some day to my home far away
         D        *         G    *
Where his glory forever I'll share.

        D           *          G    *
So I'll cherish the old rugged cross
        C           *          D   *
Till my trophies at last I lay down
       G            G7         C    Am
I will cling to the old rugged cross
      G             D          G    D
And exchange it some day for a crown
