Key: C Time: 4/4 Tune: ELLACOMBE

```
       C      G       Am  G          F       G       C  *
1 Hail to the Lord’s Anointed, great David’s greater Son!
       C      G      Am  G        F        G       C  *
  Hail in the time appointed, His reign on earth begun!
     C        *       G   *       C       *       G   *
  He comes to break oppression to set the captive free
     C     G        Am  G        F       G   C  *
  To take away transgression and rule in equity.

     C          G      Am  G     F         G      C    *
2 He comes with succor speedy to those who suffer wrong
     C        G        Am G      F       G       C     *
  To help the poor and needy and bid the weak be strong
     C         *         G   *          C        *       G    *
  To give them songs for sighing, their darkness turn to light
       C         G          Am G       F        G      C    *
  Whose souls, condemned and dy-ing are precious in his sight.

     C          G         Am G     F       G        C    *
3 He shall come down like showers upon the fruitful earth
       C        G          Am G           F      G       C    *
  Love, joy, and hope, like flowers spring in his path to birth
     C         *    G   *           C          *       G *
  Before him on the mountains shall peace, the herald, go
      C         G       Am  G          F       G      C   *
  And righteousness, in fountains from hill to valley flow.

     C         G        Am G        F     G      C   *
4 To him shall prayer unceasing and daily vows ascend
      C       G       Am  G       F       G       C  *
  His kingdom still increasing, a kingdom without end
      C       *          G *       C   *      G   *
  The tide of time shall never His covenant remove
      C          G        Am G         F       G     C   *
  His name shall stand fore--ver, that name to us is love.
