  Hail in the time appointed, His reign on earth begun!
     F        *       C   *       F       *       C   *
  He comes to break oppression to set the captive free
     F     C        Dm  C        Bb      C   F  *
  To take away transgression and rule in equity.

     F          C      Dm  C     Bb        C      F    *
2 He comes with succor speedy to those who suffer wrong
     F        C        Dm C      Bb      C       F     *
  To help the poor and needy and bid the weak be strong
     F         *         C   *          F        *       C    *
  To give them songs for sighing, their darkness turn to light
       F         C          Dm C       Bb       C      F    *
  Whose souls, condemned and dy-ing are precious in his sight.

     F          C         Dm C     Bb      C        F    *
3 He shall come down like showers upon the fruitful earth
       F        C          Dm C           Bb     C       F    *
  Love, joy, and hope, like flowers spring in his path to birth
     F         *    C   *           F          *       C *
  Before him on the mountains shall peace, the herald, go
      F         C       Dm  C          Bb      C      F   *
  And righteousness, in fountains from hill to valley flow.

     F         C        Dm C        Bb    C      F   *
4 To him shall prayer unceasing and daily vows ascend
      F       C       Dm  C       Bb      C       F  *
  His kingdom still increasing, a kingdom without end
      F       *          C *       F   *      C   *
  The tide of time shall never His covenant remove
      F          C        Dm C         Bb      C     F   *
  His name shall stand fore--ver, that name to us is love.
