Hail to the Lord’s Anointed

Key: G Time: 4/4 Tune: ELLACOMBE

```
       G      D       Em  D          C       D       G  *
1 Hail to the Lord’s Anointed, great David’s greater Son!
       G      D      Em  D        C        D       G  *
  Hail in the time appointed, His reign on earth begun!
     G        *       D   *       G       *       D   *
  He comes to break oppression to set the captive free
     G     D        Em  D        C       D   G  *
  To take away transgression and rule in equity.

     G          D      Em  D     C         D      G    *
2 He comes with succor speedy to those who suffer wrong
     G        D        Em D      C       D       G     *
  To help the poor and needy and bid the weak be strong
     G         *         D   *          G        *       D    *
  To give them songs for sighing, their darkness turn to light
       G         D          Em D       C        D      G    *
  Whose souls, condemned and dy-ing are precious in his sight.

     G          D         Em D     C       D        G    *
3 He shall come down like showers upon the fruitful earth
       G        D          Em D           C      D       G    *
  Love, joy, and hope, like flowers spring in his path to birth
     G         *    D   *           G          *       D *
  Before him on the mountains shall peace, the herald, go
      G         D       Em  D          C       D      G   *
  And righteousness, in fountains from hill to valley flow.

     G         D        Em D        C     D      G   *
4 To him shall prayer unceasing and daily vows ascend
      G       D       Em  D       C       D       G  *
  His kingdom still increasing, a kingdom without end
      G       *          D *       G   *      D   *
  The tide of time shall never His covenant remove
      G          D        Em D         C       D     G   *
  His name shall stand fore--ver, that name to us is love.
