Key: C Time: 4/4 Tune: ELLACOMBE

```
    C      G      Am G       F      G        C   *
1 Hosanna, loud hosanna, the little children sang
         C        G         Am G        F      G      C   *
  Through pillared court and temple, the lovely anthem rang
    C      *       G       *           C      *      G     *
  To Jesus, who had blessed them, close folded to his breast
      C        G          Am  G        F        G       C   *
  The children sang their praises, the simplest and the best.

      C  G        Am G          F   G       C    *
2 From Olivet they followed ’mid an exultant crowd
      C      G           Am G        F        G         C   *
  The victor palm branch wa-ving and chanting clear and loud
      C       *         G  *        C     *     G    *
  The Lord of earth and heaven rode on in lowly state
      C            G      Am  G           F      G       C   *
  Nor scorned that little children should on his bidding wait.

    C     G      Am  G          F       G       C   *
3 "Hosanna in the highest!" That ancient song we sing
      C         G     Am G        F       G          C   *
  For Christ is our Redeemer, the Lord of heaven our King
    C      *    G      *        C         *        G    *
  O may we ever praise him with heart and life and voice
      C      G        Am G      F     G    C    *
  And in his blissful presence eternally rejoice!
