1 Hosanna, loud hosanna, the little children sang
         F        C         Dm C        Bb     C      F   *
  Through pillared court and temple, the lovely anthem rang
     F      *       C       *           F      *      C     *
  To Jesus, who had blessed them, close folded to his breast
      F        C          Dm  C        Bb       C       F   *
  The children sang their praises, the simplest and the best.

2 From Olivet they followed ’mid an exultant crowd
      F      C           Dm C        Bb       C         F   *
  The victor palm branch wa-ving and chanting clear and loud
      F       *         C  *        F     *     C    *
  The Lord of earth and heaven rode on in lowly state
      F            C      Dm  C           Bb     C       F   *
  Nor scorned that little children should on his bidding wait.

     F     C      Dm  C          Bb      C       F   *
3 "Hosanna in the highest!" That ancient song we sing
      F         C     Dm C        Bb      C          F   *
  For Christ is our Redeemer, the Lord of heaven our King
    F      *    C      *        F         *        C    *
  O may we ever praise him with heart and life and voice
      F      C        Dm C      Bb    C    F    *
  And in his blissful presence eternally rejoice!
