Key: G Time: 4/4 Tune: ELLACOMBE

```
    G      D      Em D       C      D        G   *
1 Hosanna, loud hosanna, the little children sang
         G        D         Em D        C      D      G   *
  Through pillared court and temple, the lovely anthem rang
    G      *       D       *           G      *      D     *
  To Jesus, who had blessed them, close folded to his breast
      G        D          Em  D        C        D       G   *
  The children sang their praises, the simplest and the best.

       G  D        Em D          C   D       G    *
2 From Olivet they followed ’mid an exultant crowd
      G      D           Em D        C        D         G   *
  The victor palm branch wa-ving and chanting clear and loud
      G       *         D  *        G     *     D    *
  The Lord of earth and heaven rode on in lowly state
      G            D      Em  D          C      D       G   *
  Nor scorned that little children should on his bidding wait.

    G     D      Em  D          C       D       G   *
3 "Hosanna in the highest!" That ancient song we sing
      G         D     Em D        C       D          G   *
  For Christ is our Redeemer, the Lord of heaven our King
    G      *    D      *        G         *        D    *
  O may we ever praise him with heart and life and voice
      G      D        Em D      C     D    G    *
  And in his blissful presence eternally rejoice!
