```
          C   *        C7    *        F   *            C  *
1 I don't know about tomorrow, I just live from day to day
          F     *        C       *       D7   *           G   *
  I don't borrow from its sunshine for its skies may turn to grey
          C    *        C7    *      F   *           C   *
  I don't worry o'er the future for I know what Jesus said
        F  *            C       *       G    *         C   *
  And today I'll walk beside Him for He knows what is ahead.

|      F     *        C     *         D7  *        G    *
| Many things about tomorrow, I don't seem to understand
|       C   *            F     *       G   *            C   *
| But I know who holds tomorrow, and I know who holds my hand.

        C   *           C7      *       F     *         C    *
2 Every step is getting brighter as the golden stairs I climb
        F       *        C      *       D7   *          G    *
  Every burden's getting lighter, every cloud is silver-lined
           C  *          C7     *          F   *            C  *
  There the sun is always shining, there no tear will dim the eye
         F     *       C      *          G        *          C  *
  At the ending of the rainbow where the mountains touch the sky.

|      F     *        C     *         D7  *        G    *
| Many things about tomorrow, I don't seem to understand
|       C   *            F     *       G   *            C   *
| But I know who holds tomorrow, and I know who holds my hand.

          C   *        C7    *        F    *        C *
3 I don't know about tomorrow, it may bring me poverty
          F  *              C      *       D7 *              G *
  But the one who feeds the sparrow is the one who stands by me
          C   *           C7     *       F      *            C    *
  And the path that is my portion may be through the flame or flood
          F       *       C      *        G      *         C    *
  But His presence goes before me and I'm covered with His blood.

|      F     *        C     *         D7  *        G    *
| Many things about tomorrow, I don't seem to understand
|       C   *            F     *       G   *            C   *
| But I know who holds tomorrow, and I know who holds my hand.
