          F   *        F7    *        Bb  *            F  *
1 I don't know about tomorrow, I just live from day to day
          Bb    *         F       *        G7   *           C   *
  I don't borrow from its sunshine for its skies may turn to grey
          F    *         F7    *      Bb  *           F   *
  I don't worry o'er the future for I know what Jesus said
        Bb *            F       *       C    *         F   *
  And today I'll walk beside Him for He knows what is ahead.

|       Bb    *        F     *         G7  *        C    *
| Many things about tomorrow, I don't seem to understand
|       F   *            Bb    *       C   *             F   *
| But I know who holds tomorrow, and I know who holds my hand.

        F   *           F7      *       Bb    *         F    *
2 Every step is getting brighter as the golden stairs I climb
        Bb      *        F      *       G7   *          C    *
  Every burden's getting lighter, every cloud is silver-lined
           F  *          F7     *          Bb  *             F  *
  There the sun is always shining, there no tear will dim the eye
         Bb    *       F      *          C        *          F  *
  At the ending of the rainbow where the mountains touch the sky.

|       Bb    *        F     *         G7  *        C    *
| Many things about tomorrow, I don't seem to understand
|       F   *            Bb    *       C   *             F   *
| But I know who holds tomorrow, and I know who holds my hand.

          F   *        F7    *        Bb   *        F *
3 I don't know about tomorrow, it may bring me poverty
          Bb *              F      *       G7 *              C *
  But the one who feeds the sparrow is the one who stands by me
          F   *           F7     *       Bb     *             F    *
  And the path that is my portion may be through the flame or flood
          Bb      *       F      *        C      *         F    *
  But His presence goes before me and I'm covered with His blood.

|       Bb    *        F     *         G7  *        C    *
| Many things about tomorrow, I don't seem to understand
|       F   *            Bb    *       C   *             F   *
| But I know who holds tomorrow, and I know who holds my hand.
